Announcement

New Launch: Truenat® Nipah

Chip-based Real Time PCR Test for Nipah Virus

Molbio Diagnostics Private Limited, announces the launch of new chip-based real time PCR test Truenat® Nipah. Molbio has received Emergency Use Authorization from the DCGI (Drugs Controller General of India) for Truenat® Nipah test to support the fight against Nipah Virus (NiV), emerging zoonotic disease. This is a chip-based Real Time Reverse Transcription Polymerase Chain Reaction (RT PCR) test for the semi quantitative detection of Nipah Virus in human Oropharyngeal swab and aids in the diagnosis of infection with Nipah virus RNA.
